Ecocriticism in Malayalam 2022-02-06 this book using malayalam as a case study provides an in depth exploration of how inflectional suffixes should be separated from the verb and the implications this has for the syntax and semantics past work has proposed that malayalam lacks a tense phrase and tense morphology i e is tenseless however this book shows that malayalam behaves differently from other tenseless languages and that it does have tense morphology it also provides evidence that there is a tense phrase in the syntax in addition it examines what have been called the two imperfectives and argues that one is a type of progressive while the other is a pluractional marker and shows that malayalam lacks perfect morphology and a perfect phrase in minimally universal perfects with respect to finiteness among other things it argues that conjunctive participles are best analyzed as a type of absolutive adjunct and that athu gerunds involve nominalization above the tense phrase level this book will be a valuable resource for anyone interested in cross linguistic variation in tense aspect modality and or the morphosyntax or morphosemantics of dravidian languages

Not to Argue and Win but to Know and to Be Known - A Blue Sky Strategy 2020-04-04 the poetry emanating from the bhakti tradition of devotional love in india has been both a religious expression and a form of resistance to hierarchies of caste gender and colonialism some scholars have read this art form through the lens of resistance and reform but others have responded that imposing an interpretive framework on these poems fails to appreciate their authentic expressions of devotion this book argues that these

declarations of love and piety can simultaneously represent efforts towards emancipation at the spiritual political and social level this book through a close study of naḷini 1911 a malayalam lyric poem as well as other poems authored by mahākavi kumāran Āśān 1873 1924 a low caste kerala poet demonstrates how Āśān employed a theme of love among humans during the modern period in kerala that was grounded in the native south indian bhakti understanding of love of the deity Āśān believed that personal religious freedom comes from devotion to the deity and that love for humans must emanate from love of the deity in showing how devotional religious expression also served as a resistance movement this study provides new perspective on an understudied area of the colonial period bringing to light an under explored medium in both religious and artistic terms this book will be of great interest to scholars of religious studies hindu studies and religion and literature as well as academics with an interest in indian culture
